Expectant and Nursing Mothers gather strength, rich blood and abundant nourishment from the regular use of Scott's Emulsion. No Alcohol, No Opium.

THE NEXT CALL OF REGISTERED MEN

WILL INCLUDE THE FOLLOWING IN THE ORDER PUBLISHED HERE.

The experience of the board now examining men of the first call under the selective draft in Lawrence county, shows that in order to get 125 soldiers it is going to be necessary to examine more than 244. The following is a list of those who are in line for the next call. The board will take a little time after examining the 244 before proceeding with any more. We are publishing these 166 additional names without knowing just how many the board will call for the next examination. More names will be printed in our next issue.

List of names of persons whose Registration Cards are in the possession of this local board in the order of their liability for military service, as determined by this local board, as required by the rules and regulations.

PROGRESS ON NEW CHURCH AND CONFERENCE PLANS.

Johns Thompson came up from Trenton Tuesday to assist in finishing the work on the interior of the new M. E. Church South. John Williams had been doing all of the skilled carpenter work, but could not complete it all in time for the conference. Both these men are fine carpenters and the work they are doing is of high class.

The quartered oak panel work has arrived and is being erected. All material except a few small items is now here and the building should be entirely completed before September 5, when the annual session of the Western Virginia Conference assembles.

Rev. W. H. Fogleason, the pastor, and Mr. A. O. Carter, Steward, have been around to see the people of Louisa about entertaining the preachers and delegates and have almost finished. Rev. Fogleason stated Sunday that he was highly gratified with the hospitable and cheerful manner in which the people had responded to this call for entertainment. He did not meet with a single flat refusal from any one approached, either in his own church or from members of the other churches. This bespeaks a hearty welcome for the ministers. Louisa is looking forward to this important gathering with much interest and pleasant anticipation.

35 PER CENT ARE PHYSICALLY UNFIT

RESULT OF EXAMINATION FOR FIRST TWO DAYS SHOW THIS RESULT.

The Lawrence county board of examiners of registered men called to army service began its work last Monday at the court house. W. D. O'Neal, G. R. Vinson and Dr. Bromley, composing the board, realized that they were up against a large sized job, and by eleven o'clock that night they were thoroughly convinced of this fact.

Forty men per day are being examined. The physicians working are Dr. A. W. Bromley, Dr. T. D. Burgess and Dr. L. E. Hays.

Out of the first 77 men examined 35 per cent failed on the physical examination. Of the 49 who passed, a large majority claimed exemption. These claims can not be passed upon immediately, as the board is overworked and must have more time than this week to examine the claims thoroughly. It now looks like a large number in addition to the 244 will have to be examined in order to get 125.

The result of the physical examinations should awaken the people to the alarming condition of more than one-third of the young men and should bring about better attention to physical development and health conditions. One fellow of more than maximum height weighed less than 100 pounds. Others weighed only slightly above 100.

SUPPLY OF FORD CARS ARRIVING

Augustus Snyder, agent for the Ford automobiles, is receiving a car load of these machines and has promise of further deliveries very soon. August first was the beginning of the Ford company's new year. The prices remain the same as last year and this is about the only automobile on the market that has not raised its price.

LAWN FETE.

The ladies of the M. E. Church South will serve ice cream and cake all afternoon and evening on Friday of this week on the lawn at the residence of Mrs. W. L. Ferguson. Everybody invited.

Drowning of Beatrice Crutcher

One of the saddest accidents that has happened in Louisa was that which cost the life of Miss Beatrice Crutcher on Thursday afternoon of last week. Brief mention of the tragedy was made in the NEWS last week.

Miss Crutcher was drowned in Big Sandy river while in bathing with several girls and boys. They entered the river at the foot of the street leading from Lock avenue at Henry Preston's residence. The dam is down, undergoing repairs and the bathers found the water shallow on this side. Miss Crutcher and others waded toward the West Virginia shore and she stepped off into deep water. She sank and called for help when she came up. Her companions tried to reach her and Randolph Spencer caught hold of her, but could not retain his hold. After a search lasting about two hours the body was found some distance below where she was last seen.

The funeral took place Friday afternoon from the residence of the parents, Mr. and Mrs. Clarence R. Crutcher, Rev. A. C. Bostwick, of the M. E. Church, conducted the services. The interment took place in Fiskerson cemetery.

The funeral was largely attended by friends of the stricken family and by the youthful friends of the deceased.

Miss Beatrice was in her seventeenth year. She was a bright, cheerful, lovable girl, and her tragic death has brought deep sorrow to the large number of young persons with whom she associated. Beatrice was a faithful member of the M. E. Church and Sunday school. She will be greatly missed there, as well as from the public schools and the community.

Delay in the transmission of a telegram prevented her brother Frank from reaching here from Cannel City in time for the funeral.

AUTO SKIDS AND GOES OVER BANK, KILLING TWO WOMEN.

Blofield, W. Va., August 4.—Mrs. J. B. Kirk and Miss Nannie Whitley were killed. Miss Nellie Whitley's wrist and ankle were broken. Shirley Kirk's shoulder was broken and Miss Hazel Kirk and Dr. J. B. Kirk were injured seriously when their auto skidded over a high embankment at Oakvale, W. Va., near here, today.

The crew of a passing freight train witnessed the accident, stopped their train and rushed to the scene.

Dr. Kirk is one of Southern West Virginia's most prominent physicians and the Misses Whitley, who are from Taxewell, Va., are among the wealthiest residents of Southwest Virginia.

DIED OF BRIGHT'S DISEASE.

Wm. Bryan aged 44 years, died at his home at Zella last Saturday night after an illness caused by Bright's disease. He was one of the good citizens of that community.

TEN MONTHS TO TRAIN THE MEN

DRAFTED MEN NOT LIKELY TO GO ABROAD BEFORE SEPTEMBER 1918.

Washington August 7.—Only 20 per cent of the men drafted for the national army in Kentucky and Indiana will be called for training at Camp Taylor for early in September. The same percentage will apply at all of the cantonments.

The entire national army of 557,000 men will not be called to the colors before the latter part of October.

The men at Camp Taylor will be in training for approximately ten months, and it is not likely that they will be ready to board transports for Europe before September 1, 1918.

According to plans about 100,000 men will be sent to the cantonments to organize them and prepare for the reception of the others. The railroads have notified the Government that they can not transport that great number of men to cantonments in one day. This is one of the physical difficulties which force the Government to abandon the plans of calling the army into active being in one day throughout the nation.

The recruitment of the new civilian army is the biggest problem any Government has ever undertaken. These men coming from civilian life must be fitted from head to foot with military clothes and ammunition and arms.

SERIOUSLY INJURED.

Last Friday morning Peter Vanhook, 15 son of Mr. and Mrs. John Vanhook, of Hewitt, W. Va., was seriously injured while working at the Kenova mine car plant. His gloves caught in the machinery and he was hurled against heavy iron bars. His skull was fractured. He is in a Huntington hospital.

I. C. C. F. OFFICERS.

The following officers were elected at a meeting recently held by Louisa lodge No. 270, I. C. O. F.:

Jas. Q. Lackey, Noble Grand; Ernest T. Westlake, Vice Grand; Henry E. Evans, Treasurer; W. T. Cain, Secretary.

Federal Loan Bank Appraises

The Lawrence County Farm Loan Association expects to receive from the Federal Farm Bank at Louisville very soon the money for its members whose applications have been accepted. Titles are yet to be abstracted. Mr. W. H. Fogleason, of Catlettsburg, appraiser for the bank, arrived here Monday and was occupied three days in making the appraisements. He will now examine the Fallburg Association's applications.

The Georges creek association had only \$12,000 of acceptable loans, where a minimum of \$25,000 is required to organize. They have made application to join the Lawrence County Association, of which James H. Woods is president.

RESULTS OF THE PRIMARY ELECTION

NOMINATIONS MADE FOR COUNTY OFFICES ALL OVER KENTUCKY.

The next General Assembly in Kentucky will be dry by a large majority, as that element in the Democratic party won last Saturday.

Ironton, O.—A double wedding was solemnized at the court house by Judge Neal, the contracting parties being Jno. Tighman, 24, Grayson, Ky., and Miss Violet Plummer, of Lawrence county, and Mr. Howard Wumack, 22, Paducah, Ky., and Miss Tiltman.

HEWITT INTERESTS BUY COAL LANDS.

D. E. Hewitt, A. M. Hewitt, and R. A. Morris of Huntington, have acquired 380 acres of coal land in eastern Kentucky and expect to open a mine at once. The tract is located on Wolf creek in Martin-co. The Hewitt interests already own a railroad which is close to the territory and they have arranged for machinery for the start of operations at the mine.

They expect to be mining coal within thirty days.

MISS SKAGGS IS APPOINTED AN ARMY NURSE

Miss Vesta Skaggs, of this county who recently accepted the position as superintendent of the King's Daughters' hospital in Ashland, has received word that she has been appointed a nurse for the regular army and she was ordered to report as soon as possible to the Walker Field General Hospital at Takoma Park, D. C., from which place she will leave soon for some point to be made known to her later.

LAWRENCE CO. FAIR AT LOUISA IN SEPT.

Officers will publish premium list within a short time.

The Lawrence County Fair Association will hold a county fair at Louisa on Sept. 20, 21, 22. The premium list is being prepared and will be published next week. It will cover the items usually included in a county fair display. The committee is preparing to have an exhibit that will be pleasing and profitable and everybody is invited to take a hand in making it a success. Prepare to enter exhibits in some or all the lines. Lawrence county can have a good fair if everybody will cooperate and show proper interest. That's what is necessary.

Death Comes to Phillip Shivel

Mr. Phillip Shivel died at the hospital Monday. He was operated upon for appendicitis and seemed to be well on the way to recovery, when about eight days after the operation he became quite sick and gradually grew worse. The body was taken to Gallup for burial.

He was 32 years old and leaves a wife and four little daughters, the oldest only eight years of age. He was a son of Mr. and Mrs. G. W. Shivel, of Gallup. For some time he has lived at Saneville, Ohio, and was stricken with appendicitis while visiting at Gallup. He was a man of good standing in every way and his untimely death has brought deep sorrow to his many friends. He was a worthy member of the I. O. O. F. and the Christian church. The funeral took place on Wednesday, conducted by Revs. Griswold.

KILLED BY TRAIN.

The NEWS mentioned the fact last week that two women were killed near Radnor, W. Va., by a freight train. They were Mrs. Lizzie Preston, 30, and Mrs. Lou Potter, 35. There was no eye witness, but it is generally believed they were standing on the track watching coal being dumped into the tipples on the opposite side of the creek, and did not hear the train.

The accident occurred while the two were on their way to visit a sick friend, Miss Gypsy Thompson, 18, who died at about the hour their deaths occurred. They were christian women and were known for their many kind deeds, often visiting and caring for the sick.

Mrs. Potter leaves four sons and two boys. She was a sister-in-law of Mrs. L. G. Waller, of Ft. Gay, W. Va.

ATTENDED S. S. CONFERENCE.

Miss Grace Sammons and Mr. W. H. Vanhook, of Louisa, were in Ashland Friday and Saturday attending a meeting of the first annual Boyd County Sunday School Conference of Older Boys and Girls, an organization started recently by Rev. Geo. A. Joplin, State Secretary Sunday school work. About fifty were in attendance.
